

Versamatic™

14 and 18 Inch Upright Vacuums

The best-selling commercial dual-motor upright vacuum.

The Best Just Got Better

For over 30 years the Windsor® Versamatic® has been the longest lasting most durable vacuum on the market, now it is even better. This new vacuum is what you need to ensure the life of your carpet and to improve your indoor air quality. Make the investment in a quality dual-motor machine to increase your productivity for years of trouble free service.

Deep Cleaning Power

In a single pass, the Versamatic's® 1000 watt vacuum motor and separate brush motor allow you to clean deep into the carpet and remove dirt that can damage your carpet.

Rugged Durability

Precision engineering and durable construction enable the Versamatic® to withstand years of daily use. It's injection-molded, high impact ABS plastic construction ensures a long machine life. Versamatic® gives you the added assurance of a Three Year Warranty on the vacuum motor, brush motor and belts.

Improved Air Quality

Versamatic's® Triple Check filter bag and optional 0.3 micron Air Quality Microfilter improve indoor air quality by trapping contaminants, preventing them from being recirculated into the air.

Performance Features

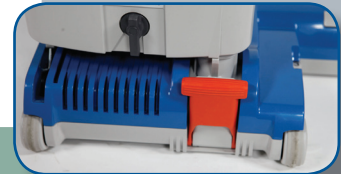

Versamatic cleans right up to baseboards and furniture.

The Versamatic is equipped with a bag sensor light that will indicate when the bag needs to be replaced.

The quick release button allows the user to easily remove and exchange the brush strip without any tools. Increasing productivity rates.

The quick release foot pedal is designed to release if the Versamatic is dropped. This will help prevent damage to the neck of the vacuum.

The Versamatic is equipped with a debris trap door that allows for easy removal of clogged debris.
