

Versamatic® Plus

14 and 18 Inch Upright Vacuums

The best selling commercial dual-motor upright vacuum.

The Windsor® Versamatic® Plus is what you need to ensure the life of your carpet and to improve your indoor air quality. For over 30 years the Versamatic® has been the longest lasting most durable vacuum on the market. Make the investment in a quality dual-motor machine to increase your productivity for years of trouble free service.

- » Over 30 years of Versamatic® dependability and cleaning performance has made this the most popular commercial dual-motor upright vacuum
- » Electronic control system maintains consistent brush motor speed and torque to ensure long brush, bearing, and belt life
- » Powerful 1,000 watt vacuum motor picks up more dirt in a single pass to increase your productivity.
- » Low dBA for daytime cleaning
